Attorney's Docket No.: 06975-054001 / Network 02

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant : Barry Appelman Art Unit : 2155

Serial No.: 09/873,272 Examiner: Nawaz, Asad M

Filed June 5, 2001 Conf. No. : 6031

Title CACHING SIGNATURES

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

RENEWED PETITION UNDER 37 CFR § 1.78(a)(3)

In response to the Decision on Petition mailed July 27, 2006, and the Office Action mailed September 7, 2006, Applicant renewed the petition for acceptance of a claim for late priority under 37 CFR § 1.78(a)(3) on September 27, 2006. The Decision on Petition mailed January 17, 2007 dismissed the new petition of the Applicant because the Examiner of the record indicated the proposed amendments to claim priority to the prior-filed applications raises new issues that would require further consideration and/or search. As such, the Decision on Petition mailed January 17, 2007 requested that the Applicant submits an RCE as a condition for acceptance of the late claim for priority under 37 CFR § 1.78(a)(3). Accordingly, Applicant submits an RCE and respectfully requests acceptance of this new petition under 37 CFR § 1.78(a)(3). Applicant submits with the new petition the following:

- 1. An Application Data Sheet in compliance with the provisions of 37 CFR § 1.121 and 37 CFR § 1.76(b)(5) to provide the reference required under 35 U.S.C. § 120 and 37 CFR § 1.78(a)(2)(i);
- 2. The surcharge of \$1,370 set forth in 37 CFR § 1.17(t) for acceptance of an unintentionally delayed claim for priority is being paid concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization;
- 3. The entire delay between the date the claim was due under 37 CFR § 1.78(a)(2)(ii) and the date the claim was filed was unintentional; and
- 4. A copy of a Supplemental Amendment to the specification removing the incorporation by reference of U.S. Patent Application No. 09/371,208.

It is believed that all requirements of 37 CFR § 1.78(a)(3) are fulfilled by this petition, and granting of this petition is respectfully requested.

-

¹ The Decision on Petition mailed January 17, 2007 indicated that no additional petition fee is required.

Applicant: Barry Appelman Attorney's Docket No.: 06975-054001 / Network 02

This collection of information is required by 37 CFR 1.76. The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to process) an application. Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.14. This collection is estimated to take 23 minutes to complete, including gathering, preparing, and submitting the completed application data sheet form to the USPTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Privacy Act Statement

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

- The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether the Freedom of Information Act requires disclosure of these records.
- A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
- A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an
 individual, to whom the record perfains, when the individual has requested assistance from the Member with respect to the subject matter of
 the record.
- 4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
- 5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
- A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
- A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
- A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspections or an issued patent.
- A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
